Dear Ms Shannon:

The Division of Health Assessment and Consultation (DHAC), Agency for Toxic Substances and Disease Registry (ATSDR), has completed an Initial Release Preliminary Public Health Assessment for Richardson Flat Tailings, Park City, Summit County, Utah, CERCLIS # UTD980952840, July 24, 1990, ADDENDUM February 5, 1993.

A copy of the Initial Release Preliminary Public Health Assessment has been provided to Mike McCeney, to confirm the accuracy of the document. Also, please review and provide comments on any ATSDR recommendations (see page 28) which your Agency would be responsible for implementation (those recommendations will be included as part of the Public Health Action Plan, see page 29 of the document). Written comments should be provided to the ATSDR Region VIII Office by COB March 12, 1993. This document is not for public distribution.

If you have any questions or concerns please feel free to contact Glenn Tucker at x 1063 or Susan Muza at x 1064.

Sincerely,

Susan Muza
Regional Representative
ATSDR Region VIII
